His case was rejected once in the Board meeting held on 28.02.2020 in view of punishments of 01 or 02 days late surrender from furlough with the sole objective to set an example for the convicts about the consequences of late surrender in Prison. However, in the last Board meeting, his case was recommended for pre-mature release in view of the facts of the case and his reformatory attitude. The Board has now considered his case afresh and observed that there is no other misconduct on his part except for 1 or 2 days late surrender from furlough in 2013, 2016 and 2018. Thus considering the overall fact and circumstances, no other misconduct in the jail during his long incarceration in jail for over 15 years, it is felt that he has shown attitude for reformation and, therefore, it has been decided to again **RECOMMEND** the premature release of convict Dharambir S/o Sh. Shoeram.
