The Ld. AD&SJ submitted that it was a fit case to consider and recommended for premature release as he fulfilled all the required parameters and that there was a possibility of his becoming a useful member of the society. Reference was also made to judgment dated 23.01.2020 of Hon'ble Apex Court in case of "The Home Secretary (Prison) & Ors. V/s H. Nilofer Nisha" in Criminal Appeal No(S). 144 of 2020. On the other hand, there have been court judgments holding that "the Courts cannot substitute the discretion of the State SRB with its own discretion. If the Court finds that the said discretion has not been properly exercised with due application of mind, the Court may set aside the order rejecting the application seeking grant of premature release and may remit the case back for reconsideration. However, the Court would not, on its own, undertake the exercise of considering whether or not to grant premature release to a convict."
