In the meeting, the Board was apprised of problems being faced by the life convicts whose cases are approved for premature release by the Hon'ble Lieutenant Governor of Delhi but their proposed surety in furnishing surety formalities in the office of the SDMs taking unusually long time for acceptance with the result the convict has to remain in avoidable unauthorized confinement. The relatives of the convicts are generally illiterate & poor thus can not run to the far flung located offices of SDMs to get surety accepted. During last two SRB meetings held on 07.01.13 & on 24.06.13 total cases approved by Hon'ble L.G. for premature release were 17, but out of which only 10 have been released so far & others are still pending for acceptance of surety

It was also brought to notice of the Board that before the introduction and implementation of Parole/Furlough Guidelines 2010, the life convicts were ordered to furnish surety in the office of the SDMs, and in view of the prolong process of furnishing surety in SDM offices by the sureties, practice/procedure was changed, it was ordered to furnish surety in the office of the Superintendent of the concerned jail and the said practice is prevalent at present which takes minimum time & without giving any hassles and inconvenience to the relatives/sureties of the convicts.

After discussion at length, the Board agreed that the Superintendent of concerned Jail may be empowered to accept sureties / personal bond in premature release cases as he is already accepting sureties in cases of Parole / Furlough also. Accordingly, it was decided by the Board that a separate proposals may be sent in this regard for obtaining kind approval of Hon'ble L.G.

Conclusion: Out of 59 cases placed before the Sentence Reviewing Board, 13 cases have been recommended, 17 cases have been deferred and 29 cases have been rejected.
